Summary

On the basis of the credibility of Anna University, Sathyabama University, the number of years of education, the nature of the course work, the subjects examined and marks obtained, it is the judgment of the Universal Evaluations that based on Mr. Survepalli's educational background; Mr. Survepalli has an educational equivalent of Master of Science in VLSI Design from a regionally accredited college or university in the United States.

This evaluation is based on copies of the original documents provided by Mr. Survepalli and represented to be authentic and true copies of the original documents. We have no reason to doubt the authenticity and accuracy of these documents. We represent the foregoing to be an accurate and correct evaluation to the best of our knowledge and belief pursuant to the requirements of the United States Citizenship and Immigration Services of the Department of Homeland Security. Universal Evaluations serve as suggested guidelines and are advisory in nature. Our academic and experience based evaluations are accepted regularly by United States Citizenship and Immigration Services.

Universal Evaluations specializes in credentials (academic and experience) evaluation of foreign credentials.

A handwritten signature in cursive script, reading 'Richard Spillman'.

Dr. Richard Spillman
Evaluator

I was born and raised in the United States. I hold a PhD in Electrical Engineering from Utah State University. I have worked as a Senior Engineering for Boeing Aerospace, a professor of EE at the University of California, Davis and currently as a professor in computer science at Pacific Lutheran University. Both Pacific Lutheran University and the Computer Science Department are fully accredited. Pacific Lutheran University is an accredited university that grants credits based on Individual's education, training and/or work experience and I have authority to grant college level credits to my students. I have authored and co-authored research papers in computer science and electrical engineering. Professional Organizations: Institute of Electrical & Electronics Engineers, American Society of Engineering Education, ACM, NAFSA: Association of International Educators and NAGAP: The National Association for Graduate Admissions Professionals.
